Education

•Bannari Amman Institute of Technology *2023-2027*
B.Tech in Computer Science and Business Systems CGPA: 7.48 (Sem 4)

•PKP Swamy Matric Higher Secondary School *Completed Apr 2023*
Higher Secondary Education (Class XII), Erode Percentage: 78.16%

Relevant Coursework

- Object Oriented Programming
- Data Structures and Algorithms
- Database Management Systems
- Operating Systems
- Computer Networks
- Software Engineering

Projects

•BIT Admin Dashboard
A comprehensive responsive admin dashboard for institutional management.

– Engineered a responsive front-end using React.js and Material UI to manage records for **500+ students and faculty**.
– Constructed interactive data visualization charts, reducing manual data analysis time by **40%**.
– Technology Used: React.js, Material UI, JavaScript.

•News Aggregator App
A real-time news application fetching global headlines via API.

– Integrated external NewsAPI to fetch and display **100+ live articles** daily with sub-second latency.
– Enabled content discovery by orchestrating category filtering and search functionality using Axios.
– Technology Used: React.js, Axios, REST API.

•React MUI Component Library
A collection of reusable, custom-styled UI components.

– Designed and built **15+ modular custom components** (Cards, Inputs, Buttons) extending Material UI.
– Accelerated UI development speed for future projects by **25%** by ensuring strict code reusability.
– Technology Used: React.js, Material UI, CSS.

Technical Skills

Languages: Java, C, C++, Python, JavaScript, SQL
Web Technologies: Node.js, React.js, HTML, CSS, Material UI, Axios
Tools & Platforms: Git, GitHub, VS Code, Linux
Databases: MySQL, MongoDB

Certifications & Additional Courses

– Completed **Fundamentals of AI Concepts** from Microsoft Learn.
– Attended masterclasses on **Digital Marketing Fundamentals** and **ChatGPT Masterclass**.
– Participated in **Flipkart GRID 6.0** – Engineering Campus Challenge organized by Flipkart (2024).
– Solve algorithmic challenges on **HackerRank, LeetCode, and CodeChef** (50+ Problems) to hone problem-solving.

Positions of Responsibility

•Student Member Bannari Amman Institute of Technology *2023 - Present*

– Actively participated in **3+** coding hackathons and technical workshops.
– Collaborated with peers on web development projects, conducting code reviews for **5+ projects**.
